"...MEDICAL MISSIONARY work...a high and holy calling..." (PC 16.4)

"MEDICAL MISSIONARY work is the pioneer work of the gospel, the door through which the truth for this time is to find entrance to many homes..." (CH 497.1)

"In no other line of the work is the truth to shine more brightly than in MEDICAL MISSIONARY work..." (MM 39.2)

"...We are to awaken our churches to engage interestedly in God's work, and to carry forward this branch, -- the MEDICAL MISSIONARY work..." {1MR 247.1}

"...The truth for this time, the third angel's message, is to be proclaimed with a loud voice, meaning with increasing power, as we approach the great final test. This test must come to the churches in connection with the true MEDICAL MISSIONARY work..." (10MR 314.1)

"God grant that the importance of MEDICAL MISSIONARY work shall be understood..." (MM 239.3)

WHO IS TO DO THIS WORK?

"GOD'S PEOPLE are to be genuine MEDICAL MISSIONARIES..." (CH 497.1)

"We have come to a time when EVERY MEMBER of the church should take hold of medical missionary work..." (7T 62.1)

"The MEDICAL MISSIONARY work given us to do means something to every one of us..."  
{CH 320 .3}

"...CHILDREN are to be instructed in the special truths for this time and in practical missionary work. They are to enlist in the army of workers to help the sick and the suffering. Children can take part in the medical missionary work and by their jots and tittles can help to carry it forward..." (AH 489.4)

"MINISTERS of the gospel are to unite with the medical missionary work, which has ever been presented to me as the work which is to break down the prejudice which exists in our world against the truth..." (MM 241.2)

"The MEDICAL MISSIONARY work is God's work. The Lord wants every one of his ministers to come into line..." {CH 533.3}

"Some cannot do so much as others, but everyone should do his utmost to roll back the tide of disease and distress that is sweeping over our world."

Many would be willing to work if they were taught how to begin. They need to be instructed and encouraged.” {MH 149.1}

#### WHEN IS THIS WORK TO BE DONE?

“...Medical Missionaries--are needed NOW...” {9T 172 .4}

“Workers are needed NOW. As a people, we are not doing one fiftieth of what we might do as active missionaries. If we were vitalized by the Holy Spirit, there would be one hundred missionaries where there is now one...” {CH 507 .1}

“Never has the world's need for...healing been greater than it is today...” {CT 467.2}

“The Lord speaks to all MEDICAL MISSIONARIES, saying: go, work today...” {9T 169 .1}

#### HOW OFTEN IS THIS WORK TO BE DONE?

“EVERY DAY we are to exercise personal activity in seeking the salvation of souls perishing in their sins. We must seek with all humility of heart to stir up our church members, to show them the necessity of personal active labor...” (1MR 15.1)

“Acts of necessity and mercy are permitted ON THE SABBATH, the sick and suffering are at all times to be cared for...” {PP 308.1}

“Man...has a work to perform on this day (the Sabbath). The necessities of life must be attended to, the sick must be cared for...he will not be held guiltless who neglects to relieve suffering ON THE SABBATH...God's holy rest day was made for man, and acts of mercy are in perfect harmony with its intent. God does not desire his creatures to suffer an hour's pain that may be relieved upon the Sabbath or any other day. The demands upon God are even greater upon the Sabbath than upon other days.” (DA 207.2-.3)

#### HOW IS THIS WORK TO BE DONE?

“...Let little companies go forth to do the work...let them pray for the sick, ministering to their necessities, NOT WITH DRUGS, but with nature's remedies, and teaching them how to regain health and avoid disease.” {9T 172 .4}

“The workers should go forth two by two, that they may pray and consult together. NEVER should they be sent out alone...heal the sick...and say unto them, the kingdom of God is come nigh unto you.” {MM 249.2}

“Our MEDICAL MISSIONARY workers... Are to go out to give treatments to the sick...from house-to-house...” {CH 538 .2}

“To those who go out to do MEDICAL MISSIONARY WORK...doing your best to bring relief to the sick and suffering.” {CH 539.2}

“Part of the Medical Missionary work that our...workers are to do is to show the value of wholesome food.” (CD 282.4)

#### HOW IS THIS WORK TO BE STARTED?

“...The MEDICAL MISSIONARY work will open many doors. No one need wait until called to some distant field before beginning to help others. Wherever you are, you can begin at once. Opportunities are within the reach of everyone.

Take up the work for which you are held responsible...wait not for others to urge you to action. In the fear of God go forward without delay...look not to see who else is ready..." {7T 62.3}

"Begin to do MEDICAL MISSIONARY work with the conveniences which you have at hand...put into practice what you know regarding the treatment of disease. Thus suffering will be relieved..." {MM 239.4}

"It may be that you will have to make a very small beginning in some places; but DO NOT BE DISCOURAGED; the work will grow larger..." {WM 107.2}

#### WHERE IS THIS WORK TO BE DONE?

"...In our large cities the MEDICAL MISSIONARY work must go..."--Manuscript 117, 1901

"...There should be workers...among the towns and villages..." {9T 172 .1}

"Carried to their homes. Often the relief of their physical needs is the only avenue by which they can be approached..." (MH 144.4)

"...Not all can go as missionaries to foreign lands, but all can be home missionaries in their families and within their neighborhoods." {6T 30.1}

"Every follower of Jesus has a work to do as a missionary...in the neighborhood, in the town or city where he lives..." {2T 632.2}

"Thus the question, "WHO IS MY NEIGHBOR?" is forever answered...It has no reference to race, color, or class distinction. Our neighbor is every person who needs our help. Our neighbor is every soul who is wounded and bruised by the adversary. Our neighbor is everyone who is the property of God..." {DA 503.5}

#### GOOD TO KNOW:

"Angels of God will co-operate with those who are engaged in this work..." {8T 73.2}

#### A PROMISE ABOUT THIS WORK:

"We shall see the MEDICAL MISSIONARY work broadening and deepening at every point of its progress...until the whole earth is covered as the waters cover the sea..." (MM 317.3)

#### A VISION SEEN ABOUT THIS WORK:

"In visions of the night, representations passed before me of a great reformatory movement among God's people...the sick were healed...hundreds and thousands were seen visiting families and opening before them the word of God...on every side doors were thrown open to the proclamation of the truth...and there seemed to be a reformation such as we witnessed in 1844." {9T 126.1}

#### WHAT WE SHOULD EVER KEEP IN MIND WHEN DOING THIS WORK:

"We should ever remember that the object of the MEDICAL MISSIONARY work is to point sin-sick men and women to the Man of Calvary, who taketh away the sin of the world..." (CD 458.5)

“He designs that [the medical missionary work shall prepare the way for the presentation of the saving truth for this time—the proclamation of the third angel’s message...](#)[If this design is met, the message will not be eclipsed nor its progress hindered.](#)” {CH 518.1}

# How To Take The Medical Missionary Work To Your Community:

## By Doing A Health Survey

(Door-to-door or Over-the-phone)

"There are many ways in which church members may give the message to those around them..." {6T 30.1}

"House-to-house labor, searching for souls, hunting for the lost sheep, is the most essential work that can be done." (Letter 137, 1898, p. 3/ 1MR 14.1)

"There is need of coming close to the people by personal effort. If less time were given to sermonizing, and more time were spent in personal ministry, greater results would be seen. The poor are to be relieved, the sick cared for, the sorrowing and the bereaved comforted, the ignorant instructed, the inexperienced counseled..." {MH 143.4}

"Christ's method alone will give true success in reaching the people...the Saviour mingled with men as one who desired their good. He showed his sympathy for them, ministered to their needs, and won their confidence. Then He bade them, "Follow Me:" {MH 143.3}

"There is need of coming close to the people by personal effort...this work WILL NOT, CANNOT be without fruit." {MH 143.4}

"The suffering and destitute of all classes are our neighbors...it is our duty to relieve them as far as possible...first meet the temporal necessities of the needy and relieve their physical wants and sufferings, and you will then find an open avenue to the heart..." {4T 226.3}

"Wherever a church is established, ALL THE MEMBERS should engage actively in missionary work. They should visit every family in the neighborhood...if every church member had sought to enlighten others, thousands upon thousands would today stand with God's commandment-keeping people." {6T 296.2}

"...Had you done medical missionary work, trying to heal soul and body, you would have seen hundreds and thousands coming into the truth...Work for souls ready to perish...Do among them practical missionary work. Thus many souls will be brought to a knowledge of the truth." {1888 1750.6}

**Note:** One of the easiest ways of taking the Medical Missionary work into our neighborhoods, towns, and cities is by doing a health survey. Going door-to-door is preferable, but in the winter months, over-the-phone surveys work very well. Following this are a few surveys that you may use in your own community.

\*\*\*Continued on next page\*\*\*

## **Taking a Health Survey into your Community**

**(Over the phone)**

Because of what we are told in 7T page 62, regarding every member is to be a Medical Missionary, and the fact that each one of us are to be going door-to-door as we have been counseled, it has been very heavy on my heart how to do this work most effectively.

However, with all of our busy schedules and the fact that it is dangerous for women to go by themselves door-to-door, I have really been asking God what is another way that we could get into the homes of the people with the health message. I was impressed with the following:

### **YOU CAN GO THROUGH THE WHITE PAGES AND CONDUCT A HEALTH SURVEY OVER THE PHONE**

Try a minimum of 30 minutes each day if at all possible. Some may choose to do 1 hour

**Below is a script that I was impressed to type out.** You may change the script as you see fit or change the Health Survey below as you see fit as well. Get your local white pages and start at the beginning. Try doing this for a half hour minimum each day at a time that is not too early or too late (preferably not after 6:00 pm and not before 9:00 or 10:00 am).

#### **OVER THE PHONE SCRIPT:**

Hello, my name is Christine, and I am a Licensed Vocational Nurse with Newstart Health.

We are calling those in the community to conduct a HEALTH SURVEY so that we may better assess the needs of the people. I was wondering if I could take just a moment of your time to complete this survey. **(end of script)**

**\*\*\*You may also include that you want to inform the community of the FREE services you provide.**

#### **BLANK SCRIPT:**

Hello, my name is \_\_\_\_\_, and I am a \_\_\_\_\_ with \_\_\_\_\_ here in \_\_\_\_\_.

We are calling those in the community to conduct a HEALTH SURVEY so that we may better assess the needs of the people. We would also like to inform everyone of all the FREE services we provide. I was wondering if I could take just a moment of your time to complete this survey. **(end of script)**

**\*\*\*If they say yes, conduct the following and be sure to get their name, address, email address...Be sure to let them know that you are in the area and if they need any health information or have some type of problem, they may call you. Please inform them of all the services you provide.**

**Note:** Be sure to print out the next 4 surveys and put 2 ('Door-to-door and 'Over-the-phone') back to back in one sheet protector, then put the other 2 (same titles) in the other sheet protector.

One set of 'Door-to-door' and 'Over-the-phone' does not have a Health Screening Option and the other one does. If you are able to set up as a "health clinic" at your church or place of worship, then you can do that survey. If not, use the survey that doesn't offer it.

ALSO, when you go 'Door-to-door', it's a good idea to have the documentary 'Forks Over Knives' so you can leave it with the people for one week to view. If you don't have a copy, I recommend that you do. You can find them on sale online.

OR, you can let the people know you will be emailing the video link to them. You would especially email it to those you did an 'Over-the-phone' survey with.
