TIMELINE FROM THE DAYS of THE 1st KING of ISRAEL TO THE PAPAL END IN 1798

Old Website: Healthy Christian Living - Living by the Blueprint
New Website: *Remnant Hope*

"…I AM GOD, AND THERE IS NONE LIKE ME,
DECLARING THE END FROM THE BEGINNING, AND FROM ANCIENT TIMES [THE THINGS] THAT ARE NOT [YET] DONE…" (Isaiah 46:9-10)

".ASK NOW OF THE DAYS THAT ARE PAST, WHICH WERE BEFORE THEE, SINCE THE DAY THAT GOD CREATED MAN UPON THE EARTH…" (Deuteronomy 4:32)

NOW LET'S GO TO:

- → **Acts 13:17-20**
  490 years passed from the time of Moses to Samuel the prophet
  490 = probationary time
  (see → Matthew 18:21-22)

- →**Acts 13:21**
- **They asked Samuel for a King**
- **God warned them what would happen by asking for a King, for this was never his purpose**
  (Judges 8:22-23; 1 Samuel 8:1-7) (**See** → Ezekiel 20:25)

KINGS OF ISRAEL:

- **1. Saul** (Acts 13:21; 1 Samuel 15:1)
- **2. David** (1 Chronicles 10:13-11:3)
- **3. Solomon** (1 Chronicles 29:23)
  Because of Solomon's sin in worshipping the Idols of all 700 of his wives, God told him the kingdom Would be split into 2 and that the larger portion would be given to a servant, and the smaller portion be given to his son Rehoboam
  See → 1 Kings 11:1-13...2 Kings 17:21

THERE ARE NOW 2 KINGDOMS AS THE RESULT OF SOLOMON'S SIN:

- **Israel, aka the "northern kingdom", consisted of 10 tribes**
- **Judah, aka the "southern kingdom", consisted of 2 tribes** (Judah and Benjamin)(mingled as 1)

THE KINGS OF ISRAEL AND JUDAH

- **The Kingdom of ISRAEL:**
  After the split of the kingdom as a whole, there were 19 kings of Israel
  Jeroboam was the 1st king and King Hoshea was the last king of Israel
  (2 Kings 17:21; 2 Kings 17:1-6)
  Carry away = to SCATTER (Isaiah 41:16; **Remember** → Leviticus 26:14,33; **AND** PK 295.1-296.1)

- **The Kingdom of JUDAH:**
  After the split of the kingdom as a whole, there were 20 Kings of Judah
  Rehoboam, Solomon's son, was the 1st king and Zedekiah, Josiah's son, was the last king
  But somewhere between the first king and the last, King Manasseh was taken captive

BOTH KINGDOM'S AND THEIR KINGS, FOR THE MOST PART, BROKE GOD'S LAW/HIS SABBATH/WORSHIPPED IDOLS

- **As a result, both were to receive the punishment that Moses spoke of regarding being scattered into heathen**

lands and being ruled by pagan, heathen kings/kingdoms that didn't like Israel ******continue******

- **King Hoshea, the last king of Israel, was taken captive in 723 B.C. by the Kingdom of Assyria**
  See again → 2 Kings 17:1-6
  See also → https://en.wikipedia.org/wiki/Hoshea
  See also → Jeremiah 50:17
- **Kings Jehoiakim, Jehoiakin/Jehoiachin, and Zedekiah, the last 3 kings of Judah, were taken captive and ruled over by Nebuchadnezzar/Babylonian kings**
  See → Daniel 1:1-2(King Jehoiakim) (**1st siege** by Nebuchadnezzar)
  2 Kings 24:15, 16, 13{PK 438.2} (King Jehoiachin, AKA Jeconiah) (**2nd siege** by Nebuchadnezzar)
  Jeremiah 52:31 (this king who helps Jehoiachin later is →Evilmerodach, Nebuchadnezzar's son)
  2 Kings 25:1-7 (King Zedekiah) (**3rd siege** by Nebuchadnezzar)

NOTE: Because of continual idol worship and breaking God's 7th day Sabbath, God allowed his people to be ruled by pagan/heathen kings/kingdoms
See → Leviticus 26:1-4,14,17,33

THERE WERE 5 PAGAN KINDGOMS THAT RULED OVER GOD'S PEOPLE

(The dates below are not necessarily from when the kingdoms actually started, but when they began to rule over God's people)

- **Assyria**
  723 B.C – 677 B.C.
  (See → 2 Kings 17:1-6) **AND →** https://en.wikipedia.org/wiki/Hoshea
  Jeremiah 50:17; 2 Chronicles 33:9-13
  See PK 381.1-382.3(real all verses included)
  See ALSO → Nehemiah 1:8; 9:32
- **Babylon**
  677 B.C. – 538 B.C.
  677 B.C. is the year Babylon came into connection with God's people by taking Manasseh captive
  (606 B.C. is The Golden Age of Babylon, since the days of King Nebuchadnezzar)
- **Medo-Persia**
  538 B.C. – 331 B.C.
- **Greece** (in the West/not all of Alexander's divided kingdom)
  331 B.C. – 168 B.C.
- **Pagan Rome**
  168 B.C. – Macedonia becomes a Roman province
  161/158 B.C. – The Roman kingdom became connected with the people of God by making a league with the Jews to protect them from the Greeks
  65 B.C. – Pompey, the Roman general, defeats the last of the Seleucidae(Syria kingdom)(the Northern part of Alexander's divided kingdom) and makes Syria a Roman Province
  63 B.C. – Pompey, the Roman general, makes Jerusalem a Roman province, ending Judea's independence
  31 B.C. – Rome, under Octavian(later known as Augustus Caesar), conquers Egypt, in the Battle of Actium, against Cleopatra and Marc Antony
  NOTE: At this time(31 B.C.), Rome now rules the whole world, having conquered all of Alexander's divided kingdom. 31 B.C. is the starting point for the "time" prophecy(360 years) taking us to 330 A.D.

  330 A.D. – Constantine moves the Roman headquarters from the West to the East, the Byzantine Empire, later naming it after himself, calling it Constantinople. This moving of headquarters to the east sets Rome up for invasion in the west
  356 - 476/483 A.D. - Rome divided into 10 by barbarians of the North, France being one of these divisions
  496 A.D. - King Clovis of France converts to Catholicism
  508 A.D. – He(king Clovis), convinced the other 6 pagan kingdoms of divided Rome to pay homage to Catholicism. The other 3 kingdoms that did not submit to Catholicism were Arian
  508-538 A.D - Papalism was in preparation for its ministry x 30 years, just as Christ was preparing x 30 years

continue on next page

THEN, THE PAPACY RULED OVER GOD'S PEOPLE FROM:

- **538-1798 A.D.**

= **1260 years**

Also referred to as → 42 months (Revelation 11:2-3)

There are 30 days in 1 biblical month (Genesis 7:11,24; 8:3-4)

600th year of Noah's life, 2nd month, 17th day of the month

+ 150 days

600th year of Noah's life, 7th month, 17th day of the month

= exactly 5 months

150 days/5 months = 30 days in each month

2nd Witness(1 Corinthians 13:1) is found in →Revelation 11:2-3

1260 Biblical days/42 months = 30 Biblical days

So **30 days in 1 biblical month x 12 months = 360 days in 1 Biblical year**

3 ½ Times AKA 3 ½ Years = 360 + 360 + 360 + 180 = 1260

because 1 Time = 1 Biblical Year

Q: Why are there 365 days in our Calendar and not 360 days? See → Daniel 7:25
